

# Helbiz's Commitment to the UN's SDGs

## Goal

## Key Areas of Focus

### Gender Equality

The Company has a clear position on gender equality and commits to avoid discrimination on a gender basis among its employees and directors

### Affordable and Clean Energy

Helbiz's fleet is powered by clean energy

### Decent Work and Economic Growth

Helbiz is committed to maintaining a positive work environment, powering inclusiveness and diversity

### Industry, Innovation and Infrastructure

The Company strives to innovate urban transportation models while pushing technological boundaries

### Reduced Inequalities

Helbiz is committed to equal opportunity polis prohibiting discrimination on the basis of gender, race or religion

**Goal**

**Key Areas of Focus**

**Sustainable Cities**

The Company's mission is to change the dynamics of modern cities and promote the shift towards more sustainable transportation models

**Responsible Production and Consumption**

Helbiz is committed to reducing its footprint, efficiently managing resources, recycling and reducing waste

**Climate Action**

Helbiz is aimed at mitigating climate change by nature, as its scooters and vehicles help reduce CO2 emissions

**Partnerships for the Goals**

Helbiz is already partnering with local institutions and organizations and other companies to reach its sustainability goals
